

GLOBAL COLON CANCER ASSOCIATION MEMBERSHIP INFORMATION

Thank you for your interest in becoming a member of the global colon cancer association (GCCA). The GCCA is the voice for millions of colorectal cancer patients and their families worldwide.

Members join a global community of organizations and advocates dedicated to awareness, screening, patient and caregiver support, policy and advocacy, access to treatment and more. There is no cost for not-for-profit Patient Advocacy Groups or NGOs. Associate Members, (such as academic or research institutions, individual advocates, healthcare, or public health professionals) are welcome to join the GCCA at no cost.

The Mission of the Global Colon Cancer Association:

We advocate for patient-centered policy around the globe to ensure increased awareness and screening, access to quality medical treatments. and help our member organizations collaborate, innovate, and leverage the full potential of effectuating change.

Membership Benefits:

- Be part of the global CRC community dedicated to advocacy, education and collaboration
- Access to educational materials and toolkits (no cost to members)
- Access to prevention education and screening information (no cost to members)
- Access to awareness and campaign materials (no cost to members)
- Professional mentorship and consultation for new and existing advocacy organizations
- Network with leading advocates, researchers, and healthcare professionals in the global colorectal cancer community
- Share your story as part of GCCA Member Spotlight series
