

GLOBAL COLON CANCER ASSOCIATION MEMBERSHIP INFORMATION

The Global Colon Cancer Association (GCCA) fights for equal access to quality colorectal cancer (CRC) screening, testing, and medical treatments. This goal will be achieved through advocacy, education, and patient-centered policy, because where you live should not determine whether you can prevent or survive colorectal cancer.

Members join a global community of organizations and advocates dedicated to awareness, screening, patient and caregiver support, policy and advocates, access to treatment, testing, screening and more.

Membership Benefits:

- Be part of the global CRC community dedicated to advocacy, education and collaboration
- Access to educational materials and toolkits (no cost to members)
- Access to prevention education and screening information (no cost to members)
- Access to awareness and campaign materials (no cost to members)
- Professional mentorship and consultation for new and existing advocacy organizations
- Network with leading advocates, researchers, and healthcare professionals in the globalcolorectal cancer community
- Share your story as part of GCCA Member Spotlight series
- Participate in the annual Global Colorectal Cancer Congress as a speaker or committee member

There is no cost to become a member for Patient Advocacy Groups, Research, Academic and Health care Institutions or public health professionals.
